Our Foxtail primary suite was a complete gut renovation with a reimagined layout.

We introduced a large-scale window with automated blinds behind the room's focal point—a stunning soaking tub. Custom cabinetry, fabricated in-house, adds a tailored touch, while the breathtaking oversized shower features all the amenities you'd expect in a true luxury space.

FEATURES

- Custom vanity joinery and stone
- Zellige tile shower with frameless doors
- Soaking tub with automated privacy screen
- Detailed wall millwork and custom mirrors

► Year: 2022

► City: Mt. Laurel, NJ

► Price Guide: \$150,000 - \$175,000

West End

VIDEO

Our West End kitchen project began with the goal of removing existing support posts that cluttered the island. Once our design team successfully achieved this, we crafted a stunning and unique modern-classic space. Featuring custom inset, two-toned cabinetry, reclaimed box beams, refinished hardwood floors, brass accents, and a dry bar adjoining the main area, this open-concept kitchen becomes a conversation piece the moment you walk through the door.

FEATURES

- Custom inset cabinetry
- Quartz countertops
- Reclaimed beams
- Commercial appliances

This whole-home renovation transformed nearly every room in the house—from the custom basement with a full-service bar and lounge to the dining room, living room, and even the garage. We paired the highest quality finishes with a strong emphasis on cohesive design throughout. The result is a truly breathtaking space and a perfect project to showcase the full scope of our team's capabilities.

FEATURES

- Custom bar and built-ins
- Sauna and full gym
- Luxury garage
- Hand crafted fixtures

This second-story addition above the existing family room was the perfect solution for creating a luxurious primary suite.

The suite features a beautifully appointed bathroom with marble flooring, a soaking tub, and a custom vanity. In the bedroom, curved walls gracefully guide you into the space, complemented by full-access closets with integrated storage, a wallpaper-accent wall behind the bed, and a built-in dry bar—ideal for slow, indulgent Sunday mornings.

FEATURES

- 2nd story addition
- Luxury primary bath with soaking tub
- Hardwood floors
- Dry bar and closet systems

We transformed this Cape Cod into the ultimate open-concept living space. By extensively reworking the original layout, we created a spacious eat-in kitchen, a generous primary suite, an upgraded laundry room, fully refreshed exterior finishes, and so much more.

The family once considered moving—until our design team showed them what was possible right at home.

FEATURES

- Custom kitchen cabinets
- Fiber cement siding
- White oak hardwood flooring
- European wet-room primary bath

A European-inspired hall bathroom designed with kids in mind, this space blends timeless elegance with modern simplicity. We used large-format terrazzo tile throughout the floor and shower for a clean, cohesive look. Custom soft blue cabinetry surrounds the toilet, while a white-washed natural oak floating vanity adds warmth and texture. Sleek black fixtures introduce a modern contrast, embracing a “less is more” philosophy. Thoughtful details throughout make this bathroom truly one of a kind and demonstrate just how transformative a layout change can be—even in a home over 100 years old.

FEATURES

- Custom cabinetry
- Black fixtures
- Terrazzo tile
- Tankless toilet

This kitchen was completely reimagined by removing the wall that once separated it from the family room. The new open-concept layout gave us the freedom to reposition appliances and significantly expand the footprint of the space.

At the same time, the family room was thoughtfully updated to feel like a seamless extension of the kitchen. A true transformation—right here in Cherry Hill.

FEATURES

- Custom kitchen cabinets
- Family room built-ins
- Refinished hardwood flooring
- Quartz countertops

► Year: 2023

► City: Cherry Hill, NJ

► Price Guide: \$150,000 - \$170,000

Moody was the theme for this hall bathroom and every detail delivers. A rich, dark green sets the tone, beautifully paired with complementary walnut cabinetry to anchor the space. Gold fixtures add a touch of elegance, standing out strikingly against the deep green backdrop. The monochromatic palette continues into the shower, while the custom mosaic marble floor serves as a stunning statement piece all on its own.

FEATURES

- Marble flooring
- Walnut cabinetry
- Gold tone fixtures
- Modern shower

This basement was designed with one goal in mind: Hosting parties. At its heart is a full-service bar, complemented by built-in banquette seating that wraps around the corner—now fittingly known as the “adult lounge.” Multiple seating areas and a cozy living zone ensure every square inch of the space is thoughtfully utilized. Entertain guests in style beneath a striking tray ceiling, complete with custom wallpaper and a showstopping light fixture that’s sure to spark conversation.

FEATURES

- Custom cabinetry
- LVP flooring
- Built-ins
- Brick accents

This homeowner was seeking a major upgrade in finishes, and we delivered with a blend of elevated design and premium materials. Custom cabinetry, Dekton countertops, and an eat-in kitchen featuring an integrated dining space within the island set the stage for both style and function. Rich walnut accents and multi-tone cabinets add depth and warmth throughout. Outfitted with commercial-grade appliances, the space now exudes a level of sophistication that perfectly complements the elegance of the home.

FEATURES

- Custom kitchen cabinets
- Refinished hardwood flooring
- Commercial appliances
- Walnut accents

This hall bathroom was nearly unusable, and the family was ready for major changes. By creatively borrowing space from an adjoining room, we gained just enough flexibility to reconfigure the layout and even include a separate toilet area. Soft, inviting finishes are enhanced by natural light, allowing the space to feel open and serene. Zellige tile provides a stunning backdrop for the custom drop in tub, tying the entire design together beautifully.

FEATURES

- Arch shower/tub
- Reeded pocket door
- Floating walnut vanity
- Gold tone fixtures
